The Little Village Cultural District Announces Council Members and launches 2025 Series of Art and Cultural Events to Support and Enhance Little Village

Arts, culture, heritage, and traditions are deeply woven into the fabric of the Little Village community. From vibrant murals and arts education programs to the rich food culture and public performances, the community has long embraced artistic expression as a means of empowerment.

The Little Village Cultural District is a neighborhood-wide collaborative initiative that harnesses the transformative power of arts, culture, and economic development to foster strength, joy, and shared prosperity for all who live in Little Village.
